

## Our Club

Purpose: Our club exists to celebrate the history of farming, farm and antique power equipment, and farm families who built this great country. It also exists to educate our youth and keep the interest alive, and most importantly, to have FUN!

Our members own many brands of tractors and equipment. We also have many members who do not own an antique tractor but still enjoy participating in the club activities.

While Stark County Junior Fairgrounds, Wyoming, IL is home to our 2011 show, members come from several surrounding counties. Our activities are focused on reaching out to others and educating them on the legacy of antique farm equipment.
